Final Performance Report

Project No. OHV2011-99 Trail Riders OHV Club Trail Project

Accomplishments

Trail Riders OHV Club completed trail maintenance on 15 miles of OHV Trail #309, the Miners Trail, located in the northeast corner of the Buffalo National Forest. Work included trail brushing, windfall removal, installation of 12 new water bars, signing, along with a new trailhead sign.

The project was completed essentially in accordance with the project agreement.
